Toddler Summer Camp

Introduction

Your 18 months to three-year-old will enjoy a multi-age summer camp classroom with fun, safe, and healthy activities that are geared toward your child's developmental level. Alongside their camp teachers, campers will explore a different theme each week through movement, activities, art projects, books and more!

Schedule

Each camp is offered through a consistent weekly schedule. The camp day runs from 8am-3:30pm. Before and after camp programs are available at an additional cost. Select the camp weeks that best fit your campers' needs and interests.

The deadline to make changes to your Summer Camp schedule is May 16th, 2025.

After the deadline, your child will be enrolled in the camps selected and you will be billed accordingly.

How to Enroll

Enroll online at www.royalmontessoriacademy.com, follow the link "Summer 2025 Registration" to begin enrollment.

Enrollment is online ONLY and begins March 3rd, 2025.

You must enroll a minimum of 2 days/week, and a minimum of 2 camp weeks.

Week 1 - June 16-20: Tiny Chef Academy

Tailored for young food lovers, our camp offers a fun, hands-on experience where children learn to cook, bake, and experiment with food in a safe, exciting environment.

Week 2 - June 23-27: Down by the Pond

Nestled in a beautiful natural setting, this camp offers children the chance to explore nature, learn about wildlife, and enjoy exciting outdoor activities.

Week 3 - June 30 - July 2: Stars and Stripes

This patriotic-themed adventure is packed with exciting activities, creative crafts, and outdoor fun, all while honoring the spirit of Independence Day. Enjoy a week filled with red, white, and blue excitement, and experience American traditions in a fun and memorable way!

Week 4 - July 7-11: Tiny Time Travelers

Travel back in time with us to discover awesome fashion and super fun music from the past! Get ready to dance, craft, and play with cool, retro activities. Campers can dress up in vintage-style clothes, learn fun dances that everyone loved, and make crafts that are as cool as the old-school styles they came from!

Week 5 - July 14-18: Roar and Explore

Get ready to roar and explore! Join us for an exciting week as we dive into the fascinating sounds animals make, discover which animals live in the zoo, and learn about their natural habitats. From the mighty roar of lions to the playful chirps of monkeys, children will have fun mimicking animal noises while uncovering which creatures are behind what they hear. It's going to be a wild adventure as we discover the incredible world of animals!

Week 6 - July 21-25: Up, Up and Away

From crafting paper planes to exploring the world of flight, we'll travel to new heights with fun activities and sky-high excitement! Little aviators will have a blast as they create colorful paper airplanes, learn about EAA, and pretend to fly high in the sky with imaginative play.

Week 7 - July 28- August 1: Tiny Picassos

Get ready to unleash your inner artist! Tiny Picassos will create and explore the world of art in the most playful, hands-on way imaginable! This week is all about letting your creativity soar as we dive into a variety of exciting art projects, from painting and drawing to sculpting and crafting.

Week 8 - August 4-8: Mini Scientists in Action

Every day is a new adventure filled with bubbling potions, fizzy reactions, and colorful explosions as we explore the exciting world of science. From creating volcano eruptions to growing their own plants, campers will dive into hands-on experiments that spark curiosity and wonder.

Week 9 - August 11-15: Rain or Shine, it's Fun Time

Expect rainbows, storms, and a sprinkle of silliness! Campers will dive into a whirlwind of weather-themed fun as they create colorful crafts, explore exciting weather experiments and engage in sensorial activities that bring the magic of the skies to life.

Week 10 - August 18-22: Little Stars in the Spotlight

Little stars will shine bright at Hollywood Camp, where they'll explore the fun world of movies, acting, and imagination in the cutest way possible! Campers will have a blast pretending to be their favorite characters, dressing up, and creating their own mini movie moments through playful activities and hands-on fun.

Week 1 - June 16-20: Kitchen Adventures

Campers will embark on a delicious journey, learning where food comes from, the secrets of nutrition, and how to create healthy, tasty meals. It's a hands-on experience that's all about nourishing both body and mind!

Week 2 - June 23-27: Pond Explorers

Come spend the week down by the pond, where outdoor exploration and nature adventures await! Set in a beautiful natural setting, the children will be discovering everything from pond life to local wildlife, all while engaging in hands-on activities and games.

Week 3 - June 30 - July 2: Red, White and Blue

Create unforgettable memories while celebrating freedom, fun, and all things patriotic! Join us for a perfect mix of fun activities, crafts, games, and even a mini parade! This week is sure to be filled with stars, stripes, and endless summer memories!

Week 4 - July 7-11: Hop Through History

Come along as we explore a different decade each day this week! Campers will dive into the trends, music, and activities of each era, whether it's the funky 70s, vibrant 80s, or rad 90s! Get ready for a week of nostalgia, creativity, and nonstop fun as we celebrate the best of each decade!

Week 5 - July 14-18: Zookeeper in Training

Get ready for a wild adventure as we set off on a thrilling zoo safari, exploring the amazing animals that roam the earth! Campers will discover the wonders of the animal kingdom, learning about lions, elephants, monkeys, and more. Through interactive activities like wildlife crafts and exciting games, we'll dive into the habitats and behaviors of these incredible creatures.

Week 6 - July 21-25: Aviation Exploration Week

Buckle up for a high flying adventure! This week will be full of soaring adventures as we explore the fascinating world of aviation! Whether they're pretending to be pilots or designing their own flight plans, campers will enjoy an action-packed week filled with learning, crafting, and sky-high excitement. Get ready to explore the skies and let your imagination take flight!

Week 7 - July 28- August 1: Masterpiece Creators

Every day is a new opportunity to create, explore, and express yourself! From vibrant paintings to exciting hands-on projects, we'll dive into a world filled with colors, textures, and boundless imagination. Whether it's experimenting with different materials, crafting unique sculptures, or exploring new art techniques, campers will have the chance to bring their creative visions to life.

Week 8 - August 4-8: Super Scientist

Get ready to put on your lab coat and dive into a world of discovery! Campers will mix, measure, and experiment as we explore the wonders of science through hands-on activities and creative experiments.

Week 9 - August 11-15: Weather Watchers

This week is all about discovering the wonders of nature and becoming a true weather watcher! Campers will explore the fascinating world of weather, from sunny days to stormy skies. Through fun hands-on activities, we'll learn about clouds, rainbows, thunderstorms, and the science behind it all.

Week 10 - August 18-22: Lights, Camera, Action!

Step into the spotlight at Lights, Camera, Action Week, where campers will explore the exciting world of filmmaking and acting! Whether it's acting out scenes, creating their own scripts, or even taking a virtual field trip to the hollywood walk of fame, this week is all about bringing stories to life.

Week 1 - June 16-20: Cooking Up Fun!

This week introduces children to the exciting world of cooking, baking, and creativity in the kitchen. Throughout the week, campers will learn essential cooking skills, explore a variety of ingredients, and create delicious dishes such as veggie sushi, ice cream in a bag and butter in a mason jar!

Week 2 - June 23-27: Frogs, Fish and Fun

Embark on a summer adventure filled with discovery and outdoor fun. This camp is perfect for young nature lovers who want to learn about the creatures that live in and around the water, while enjoying hands-on activities, games, and adventures in a beautiful natural setting.

Week 3 - June 30 - July 2: Hooray for the USA!

Crackle pop! Hooray for the USA, a week filled with excitement including 4th of July bingo, a firework experiment and patriotic yoga. We'll light up the week with creativity and all-American spirit!

Week 4 - July 7-11: Decade Discovery Week

Campers will explore a different decade each day! Whether it's disco dancing, tie-dye shirts, or boombox beats, every day brings a new blast of history and style! Campers will also dive into retro crafts, play nostalgic games, and learn fun facts about each era.

Week 5 - July 14-18: Great Zoo Adventure!

Get ready for a wild and exciting journey as we embark on a zoo adventure! Campers will explore the fascinating world of animals, learning about the creatures that live in the zoo and the habitats they call home. From lions and tigers to giraffes and penguins, each day will feature a new animal to discover.

Week 6 - July 21-25: Sky Explorers

Prepare for takeoff as we embark on a week of high-flying adventure! Campers will have the chance to customize their own paper airplanes, create personalized passports, and even step into their own made up cockpit for a thrilling flight simulator experience.

Week 7 - July 28- August 1: Artistic Exploration

Campers will experiment with different materials, learn new techniques, and discover the joy of creating one-of-a-kind masterpieces. Whether they're making collages, Van Gogh-inspired art or tie-dying, this week is all about exploring the endless possibilities of art.

Week 8 - August 4-8: Discovery and Creation

Calling all curious minds and future inventors! Unleash your inner genius during mad scientist week where wild experiments and thrilling discoveries happen every day! Prepare to get messy as we dive into the world of science with hands-on activities, mind-blowing experiments, and out-of-this-world inventions.

Week 9 - August 11-15: Weather Watchers

Are you ready for an exciting journey through the skies? During Weather Adventure Week, campers will become weather experts as they explore the wonders of our planet's weather patterns. From learning about clouds, rainbows, and lightning, to experiencing hands-on activities like making clouds in a jar, campers will dive deep into the science behind weather.

Week 10 - August 18-22: Royal Red Carpet

Step into the spotlight and shine like a star! This week campers will discover their hidden talents, get the chance to experience the glamour of Hollywood with a mock "Hollywood" interview, and even participate in a talent show!
